SUPERINTENDENT OF SCHOOLS

To the Class of 1965:
"There are obviously two educations. One should teach us how to make a living and the other how to live."
May you further distill this quotation down to the infinitesimal fact that there is only one real education. The distillation, evaluated with experience and intelligence, will bring to you the realization that the making of a good life is the real product of education.
May you, with this conviction, permeate your environment to the extent that other peoples will also understand that making a good life is the core and the foundation of honesty, truth, integrity, and happiness.

Sincerely,

John L. Fitzpatrick
Superintendent of Schools

DEDICATION

With gratitude for his unselfish and untiring efforts in leading and/or pushing the Senior Class; his superb accomplishments in the fields of finance, organization, and administration; his strength and determination which has served both as an example and as a comfort in times of hardship; his successful but somewhat hectic blend of class-time and senior-time which has proven to be superlative in both areas; his wit and good humor which has helped our junior and senior years become unforgettably memorable; The Memini of 1965 is officially, sincerely and affectionately dedicated to our senior class advisor, Mr. Stephen Jendrysik.

ADVISORS

To the Class of 1965:
Usually a class advisor wishes success to a graduating class. Yet I recall reading some time ago that whenever an individual or group decides that success has been attained, progress stops. The progress of the Class of 1965 over the past two years has been most gratifying. My association with your class has left me with the sincere belief that progress can only continue in the future.

Stephen Jendrysik

To the Class of 1965:
I am proud of you and your accomplishments. May the knowledge and training that you have received at Chicopee Comprehensive High School help you to lead useful and happy lives. May there always be peace and happiness in your hearts as you serve God, your country and your fellow man.

Barbara Jean Grabiec

To the Class of 1965:

I wish to extend to each and every member of the class of 1965 my sincerest congratulations upon having completed the requirements for a high school diploma. You have proven to me the past four years that you have the ability, the will to succeed and are willing to work hard to reach your goal.

It has been a pleasure and a truly rewarding experience having worked with you these past years. I have enjoyed every minute and I shall always look back with fond memories to the class of 1965.

As to the future, I hope and wish the best to all of you. I am sure that with hard work any goal you set can be reached.

In closing I like to quote a famous author who was being questioned as to luck vs. hard work. He said: "I am a great believer in luck, and I find the harder I work the more I have of it."

Stanley J. Zeimba

To the Class of 1965:

In the years ahead you will busy yourselves in making a living and making a life. In your lifetime you will see advances made in Science, Engineering, Agriculture, Medicine and many other fields.

All of you will benefit from these advances. Many of you will have an active part in these changes. Some of you will be the leaders in bringing about new changes and advances.

Whatever the future may hold for any of you, vocationally and professionally, you should have one aim in common: To understand the most important "product" of your time — your fellow man.

History has pointed out to us over the years that our greatest "lag" has been human relations. At Comprehensive we have tried to teach you the importance of the dignity of each individual. I trust that you have learned this lesson well.

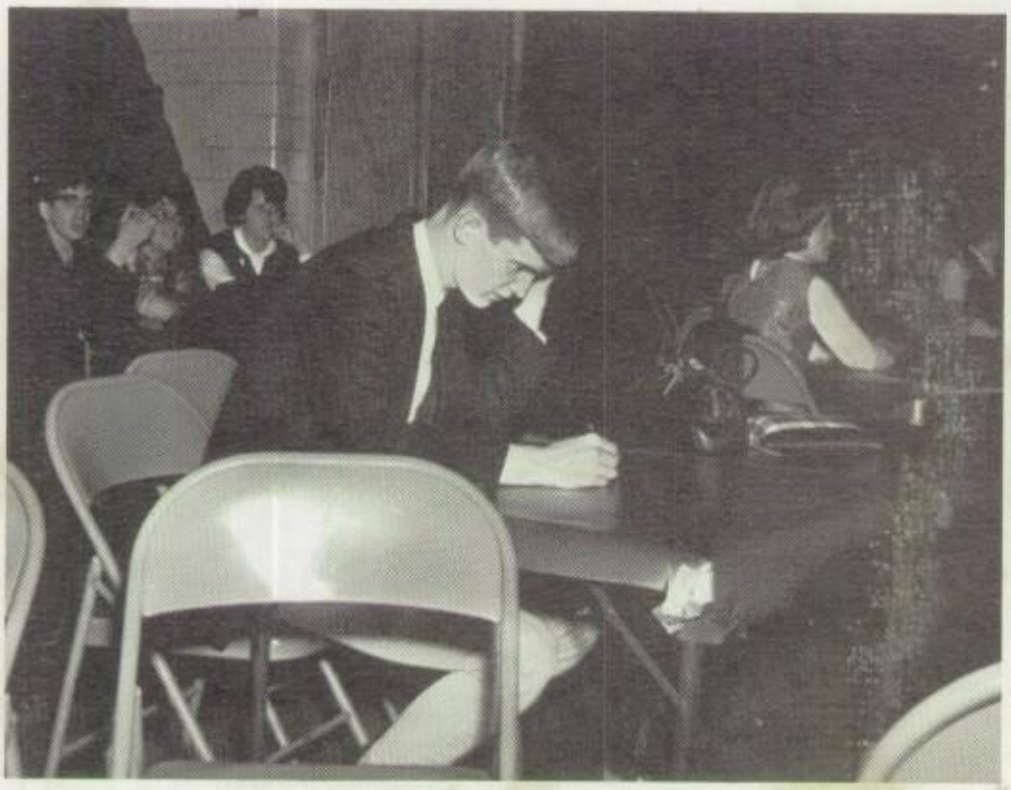
MEMORIES

Three Comp girls present a well known hit.

"Let's . . ."



Not even a Get-Acquainted dance can get everyone acquainted.

Music . . .

. . . and dancing.

The class president and some of his friends at the Christmas Cotillion.

The pause that refreshes.

Dancing was the main attraction at the Cotillion.

Gerry Lamoth and his band.

To everyone's delight the dancing went on throughout the night.

Autumn Football Rallies . .

Onlooking students stand expectant in the Autumn air.

A Comp student proudly displays a hopeful message.

Mr. Ziemba halts the unorganized noise t
begin the organized cheering.

Co-captains, Ray Barrows and Bill Casteel deliver their pre-game speeches.

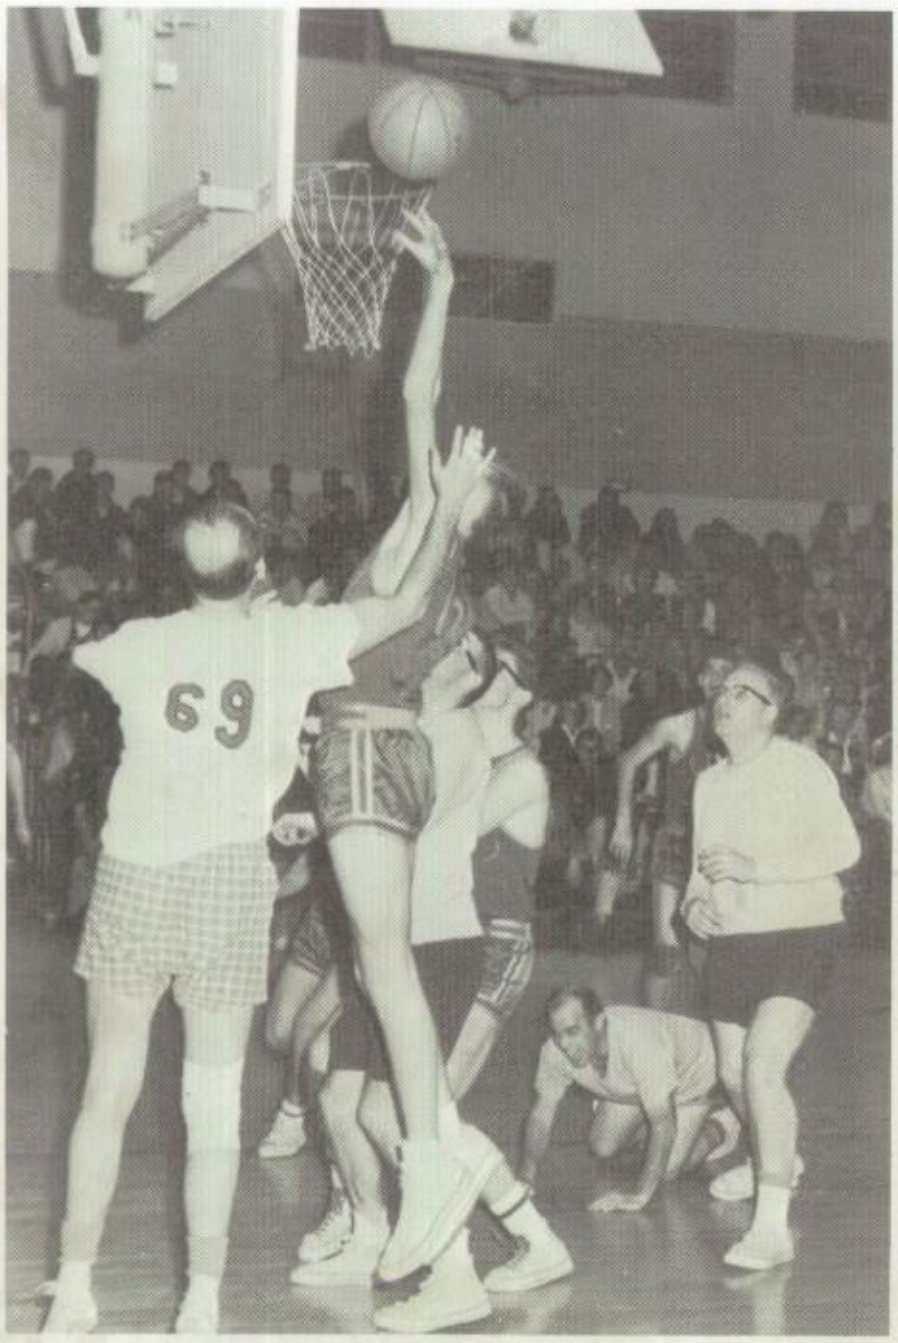
. . . The Annual Hoot'n'rally

The Football Queen, Donna Geraltowski, is escorted by Mr. Coscore and crowned by Mr. Ziemba.

The Football Queen and her court.

young couple watch the colorful proceed-
gs at the Hoot'n'rally.

Three Comp students gaze at the fate of their opponent, Chicopee High School.



Action under the boards at the J.V. — Faculty basketball game.

Kathy McRobbie, Louise Krizan, and Sandra Pruett rehearse for the senior class play "Our Town."

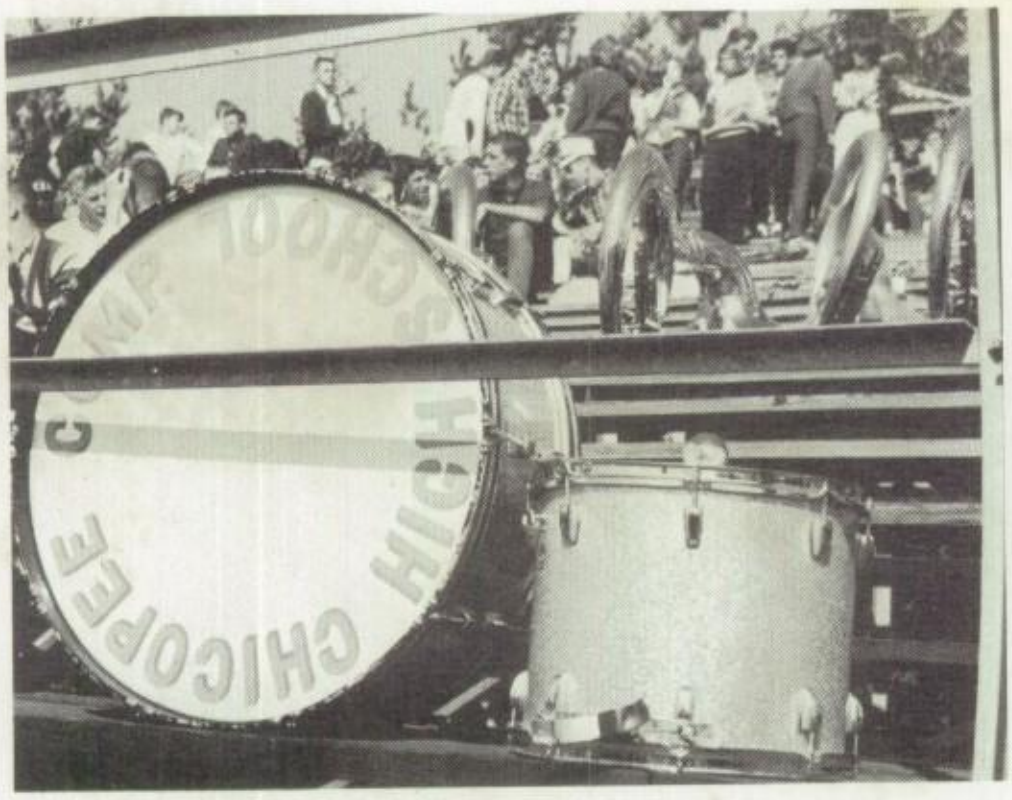
The Pep Club shows their spirited approach to the game.

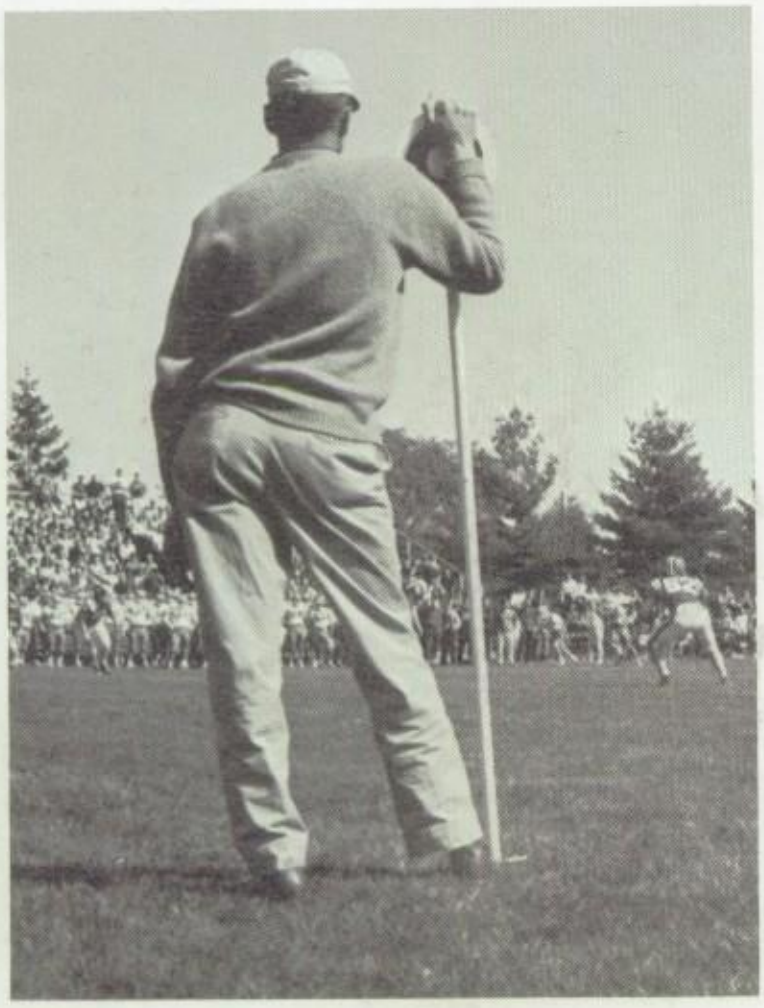


Forgotten for the moment, but sure to be heard again.

The band, as well as the fans, enjoys half-time refreshments.

The band pleases the spectators with an intricate routine.

e Excitement . . . Football



An often forgotten factor in the game.

A well deserved rest for tired band member.

The band marches on for halftime ceremonies.

A rousing reaction to a Comp touchdown.

1965 **MEMINI** STAFF

The 1965 **Memini** Staff got off to a successful start when Scott Rand was chosen as yearbook editor. Immediately things got under way as Joseph Sasfy was selected to be co-editor and soon after the rest of the staff was chosen. From this day on the yearbook began to take shape. Spero, the yearbook photographer, began to fulfill his many photography assignments. As the pictures came in they were cropped, layouts were made, and page by page took shape. Admidst the sometimes hectic organizing of the yearbook; we were aware that our goal — the completion of an excellent yearbook to commemorate our last days at Comp — would successfully be reached. It is this yearbook that will take us back to our senior days at Comprehensive High though we may be miles from its halls.

CLASS HISTORY

FRESHMAN YEAR
1961-1962

As we ascended the steps of Chicopee High School, we knew that we had really made it. Although we were caught up in the pandemonium of triple sessions, we were curious to find out what high school life was all about.

In a very short time we were all introduced to Mr. Henry Fay, our Principal, and Mr. Stanley Ziemba, Vice-Principal. Some of us came to know them very well.

After a short time practically everyone became familiar with "Cat's Alley" and "Baby Heaven"; even the "Maroon and Gold Spider" was popular. Peggy Duff represented the freshman class in the football queen's court in the traditional Chicopee-Holyoke Thanksgiving Day football game.

Fads were numerous this year. Every time you turned around someone wearing a "doctor" blouse was playing with a yo-yo.

On the sports side of our first year, we were proud to have our school represented by such good athletes. The basketball team won the Valley League Championship and the baseball team did even better by winning the State Championship. The hockey team enjoyed a fine season as they went into the new Berry Division.

Our panel for "As Schools Match Wits" added more honors to C.H.S. when they became undefeated champions. Someone should have made plans for a bigger showcase.

Dag Hammarskjold, Secretary General of the United Nations, was killed in a plane crash in Northern Rhodesia while on a mission seeking a cease-fire between UN and Katanga forces in the Congo.

There were also the happy moments when Lt. Col. John Glenn, Jr., became the first American in orbit when he circled the earth three times in the Mercury capsule **Friendship 7.** Project Mercury also included the flights of Lt. Comdr. Scott Carpenter in **Aurora 7** and Comdr. Walter M. Schirra in **Sigma 7.**

We will never forget doubling up on lockers when everything had to be crammed into one small space. That wasn't all that was crowded — buses, classrooms, hallways, and even "Baby Heaven" had its share of students.

So ended our school year, our only one at Chicopee High.

We eagerly looked forward to next year and the new high school we would be attending in September, only regretting that we had to leave some of the friends we had made as freshmen.

SOPHOMORE YEAR
1962-1963

Our future looked bright as we started our sophomore year. How could we miss with such a beau-

tiful new school? We left "that other school on Front Street" to mark our own success and progress which would reflect on future Comp students.

Mr. Stanley J. Ziemba, our Principal, and Mr. William Coscore, Vice-Principal, truly have to be thanked for the hard work and effort they have given to make Comprehensive High School a name to be proud of.

Since there were no seniors this year, the Junior Class Officers presided over the ceremonies of laying the cornerstone on November 20, 1962. Among the distinguished guests were Mayor Edward Lysek and Superintendent of Schools John L. Fitzpatrick.

A school is not a school until the students get behind it and work hard. Well, we had plenty of fight and spirit to make Comp a grand school. We chose the colt to wear our "blue and gold" and our "Fight on for Comp High . . ." to push him on.

The Student Council was organized with Mr. Crane and Mr. Morrisette as advisors. We were proud to be the hosts of the Western Massachusetts Student Council Conference.

Despite the fact that we were a new school, we worked together to bring about many events, such as the Varsity Show and the Water Ballet Show. The Education Exhibit was not only a "first" for the school but also for the whole area. Mr. Moran served as chairman of the event which displayed exhibits from each department.

Because there were no seniors at Comp this year, we could not have a complete program of sports. Mr. Dulchinos coached the varsity basketball and baseball teams; Mr. Ouimette, track; Mr. Budinkiewicz, the swimming team; Mr. Welker, soccer; Mr. Orlowski, golf; and Mr. White, tennis and J.V. football. Mr. Hurst coached the J.V. basketball and baseball teams.

The world picture was a dark one in 1962. A Soviet offensive build-up in Cuba was revealed by President Kennedy, who ordered a naval and air quarantine on shipment of offensive military equipment to the island. Later, after an agreement with Premier Krushchev on a formula to end the crisis, the President said that Soviet missile bases in Cuba were being dismantled.

However, there were victorious times when U.S. Air Force Maj. Gordon Cooper orbited the earth 22 times in the final and longest flight of Project Mercury, landing safely in the Pacific.

Now that our first year at Comp was over, we were looking forward to another successful and rewarding year.

JUNIOR YEAR
1963-1964

Our Junior year was just about the very best. We were the next best thing to seniors and had been

in high school long enough to feel secure and sure of ourselves. Our rings meant that we had finally attained that certain stature and could hold our heads just a little higher than we ever could before. We elected our first class officers — Phil Airoldi, President; Elizabeth Gawron, Vice-President; Susan Parker, Secretary; and Linda Tsohonis, Treasurer. With officers we could start organizing our junior class and making all the important plans for our last and most meaningful year at Comp.

Our magazine sale proved very profitable, and the candy sale, another fun project, brought in a good deal of money.

In the fall Comp's first scholastic team appeared on the TV program "As Schools Match Wits." We were all very proud as Richard Hall, Steve Tillman, Joseph Sasfy, Scott Rand, and alternates Mary van der Heyden and Kip Crandall led us through five victorious weeks. There were more "firsts" this year. Our school newspaper, the **Comp Chronicle,** started rolling and seemed to get better with each issue. Pam Blackburn reigned as queen of the first annual winter cotillion held in February. It was a beautiful event and held promise of many more like it in years to come.

Spring brought many activities to Comp. This year's minstrel was even better than the last one, full of singing, dancing and fun. The incomparable Richard Hall emceed the affair.

The Easter Assembly, **The Seven Last Words of Christ,** was performed beautifully by the chorus classes and the G-Clefs. It was the second musical performance by these groups, the first being the Christmas Assembly.

Vicki McFeely had the lead in the first Comp Senior Play, **Time Out For Ginger.** All of us juniors began to think of our own Senior Play to come next year.

Another big event of our third year was the

Junior Prom. The theme, "An Evening in Paris," was emphasized with checked table cloths and candles in wine bottles, and decorative French scenery.

This was our first varsity year in football, and our record was very good for a new school. Our fine basketball team was still independent as was our baseball team.

In 1963 and 1964 mankind made breathtaking advances in knowledge, and experienced heartbreaking tragedies. Our President, John Fitzgerald Kennedy, was assassinated by Lee Harvey Oswald. True, a day off from school followed the tragic event, but it certainly was not accompanied by the usual fun and gaiety. As the world rocked in the wake of this blow, so, too, did Comp students and faculty. We at Comp are certainly fortunate to have been able to receive so much set forth in the example of this great man.

Another death, no less shocking, was that of Pope John XXIII. Giovanni Battista Cardinal Montini, Archbishop of Milan, was elected to succeed him. The new Pope was crowned as Paul VI. One of the worst earthquakes in modern history struck Alaska on Good Friday, March 27th. Alaska's largest city, Anchorage, was hardest hit — streets were buckled and buildings shattered.

General of the Army Douglas MacArthur, one of the most distinguished soldiers in the history of the United States, died in Washington. Another world leader, Prime Minister of India Jawaharlal Nehru, died of a heart attack in New Delhi on May 27th.

The 1964 Olympic Games, held in Innsbruck, Austria, were formally opened by the President of Austria at the Bergisel ski jump.

Over a million spectators and many more television viewers witnessed the competition at which the U.S.S.R. won a record number of medals in the 34-event program.

Let us not forget the onset of the Beatles, and their advent from England to our shores. "Beatlemania" reigned supreme, and the four bushy-haired lads captured the hearts of girls of all ages.

The enthusiasm of the junior class seemed boundless and was certainly matchless. Our class was the highest in the school in its response to many activities. It was a wonderful sensation to be in a class where spirit ran strong and everyone pitched in.

SENIOR YEAR
1964-1965

In September we were both happy and sad at the bitter-sweet prospect of beginning our last year of high school. We started off by electing Phil Airoldi, President; Elizabeth Gawron, Vice-President; Susan Parker, Secretary; and Lynn Rogers, Treasurer.

Football had never been as exciting and festive as it was at Comp this year. Our game with rival Chicopee High was sure to be a victory. The cheerleaders sponsored a Hootn'rally at which Donna Geraltowski was crowned foootball queen; her court consisted of a representative from each class — Dianne Picard, Senior; Barbara Curran, Junior; Marglyn Harris, Sophomore; and Donna Slachetka, Freshman.

The National Honor and Pro Merito Societies were organized with Mr. Otis as their advisor. Years of hard work were finally rewarded by a special little card issued to the members which entitled them to use a tiny room near the library.

Thoughts of college were uppermost in our minds as we took the College Boards and began to wonder what we were going to do with ourselves. Applications, applications and interviews kept us oc-

cupied, but the hardest part was waiting for the mailman!

The second annual Winter Cotillion was held in December. It was a delightful evening for all who attended and gave everyone a chance to put his best foot forward.

The Senior Class Play, **Our Town** by Thornton Wilder, was a tremendous success. Cast in the lead roles were Karen Ducharme as Emily and Joseph Sasfy as the stage manager. Unusual because there was no scenery, the play left the audience to use their imagination.

Chicopee Comprehensive was represented at Good Government Day in Boston by Scott Leonard. We were truly proud of Scott when the Massachusetts Board of Education chose him to represent our state in the Senate Youth Program sponsored by the William Randolph Hearst Foundation. Scott spent a week in Washington which he will never forget, for he had the chance to talk to Senators and meet the President at the White House.

We were just as proud of Linda LaBrecque, who won first place in the Massachusetts 4-H Dress Review held at the University of Massachusetts. Her talent and activities were well rewarded by a week in Chicago at the 43rd National 4-H Club Congress.

Linda was a Mass. delegate at the National 4H Club Dress Review sponsored by the Simplicity Pattern Company.

At the Model Congress held at A.I.C. in April, Comprehensive was represented by Kathleen Dupuis, Linda Tsohonis, Lynn Rogers, and Paul Blair. Each student from the area represented a congressman and had the opportunity to debate issues and act on legislation.

During our Senior year Comp experienced a very successful year as far as the athletic picture was concerned. First, the football team, coached by Mr. White, had a winning season which was highlighted by the upset of the year in Western Mass schoolboy football — our win over Agawam. We met arch-rival Chicopee High on the gridiron for the first time and brought home the Mayor's Sword and a beautiful trophy.

Although it did not achieve the winning percentage of the football team, the soccer team, coached by Mr. Welker, carried Comp's colors admirably.

As winter sports took their turn, the swimming team under Mr. Budinkiewicz also came out on the winning side of the column.

Meanwhile, the hockey team turned out to be one of the leaders in the Fay Division. Mr. Welker guided the puckmen.

To top off the winter sports scene, the basketball team, with Mr. Dulchinos at the helm, had a superlative year. They won the Valley League Championship their first year in the league and

qualified for and won the Western Mass Tournament.

In 1964, the Olympic Games this year were held in Tokyo, Japan, with 94 nations competing. Emperor Hirohito reviewed the games in Tokyo National Stadium. The United States took first place; the U.S.S.R., second; and Japan, third.

Soviet Premier Nikita Krushchev was deposed as top leader of the government and of the Soviet Communist Party. He was replaced as First Secretary of the party by Leonid Brezhnev and as Premier by Aleksei Kosygin.

Herbert C. Hoover, 31st President of the United States and one of the world's noted humanitarians, died in his home at the age of 90 following a long illness.

Sir Winston Churchill, in his 91st year, died January 24. Britons small and great — the people he led through the darkest days of World War II to victory — mourned him as the greatest figure of his time. Statesmen and everyone around the world joined in the homage.

President Lyndon Baines Johnson of Texas was elected to his first full term in the White House in a record-breaking landslide. The Democratic nominees were President Johnson and Senator Hubert Humphrey of Minnesota. The Republican candidates, Senator Barry Goldwater of Arizona and Representative William Miller of New York, carried only six states.

During the last few weeks of school we were caught up in the turmoil of the traditional senior activities. The Senior Prom was an enchanting evening long to be remembered. Our picnic at Look Park, preceded by pleas to the weatherman, proved a gala affair and a welcome relief for all. The Kimball Towers set the scene of our banquet at which we reminisced our high school years, soon to come to an end.

What more can be said about our graduation that has not already been said by many other graduating classes. Commencement — it means the beginning, but to us the immediate meaning was the "end." Few eyes were dry as we received the diploma, a symbol of our achievement of four years. We left the school for the last time and only then realized the finality of the whole affair. Sadly, like every senior class before us, we bade a fond farewell to good friends, promising to keep in touch, but only hoping this would become a reality. We turned our eyes once more toward the familiar places — the gym, the field, the cafeteria, the auditorium, the classrooms, all things taken for granted those four years, but now assuming a kind of radiance when we realized how important a part of life was rapidly closing behind us. Now we are off to college, to work, to marriage, and have in our possession the valuable knowledge that will equip us to keep the victories the world has won before us, and win it new ones in our capacity as useful citizens. As the years pass and good memories take on a sort of tenderness and lambency, the bad ones fade away, and we walk the roads of life with frequent nostalgic thoughts of our Comp High years.

Junior sharpshooter, John Kitchen, jumps high in an attempted block.

The mighty Colts in their first year in the Valley League ran away with the championship and gained a berth in the Western Mass Tournament. The squad, coached brilliantly by Mr. Dulchinos, held a fourteen and two league record and an overall record of sixteen wins and four losses. While pouring in sixty-three points per game, the Colts held their opponents to 53.7 points per game. John Graham who led the team in assists was the team's captain. Alex Popp was high man for the year with 259 points and a 14.3 point average. John Kitchen was second with a 11.6 point average; he was followed by the team's pivot man, Bill Lapointe, with a 11.5 point average. The Soccer team playing their third year of varsity ball was coached by Mr. Welker. This year the Colts just couldn't climb the mountain and compiled a 2-14-4 record in the Pioneer Valley League. Dave Litwin and Bob Hunter co-captained the team. The Colts were well balanced with Litwin in the goal and Hunter and Ed Matulewicz on the offensive attack. The Colts finished the season in fine fashion defeating Holyoke High School 4-0.
The Colts played their home games at Rivers Park in Willimansett. With many experienced players returning next year Coach Welker hopes to make the Colts a more formidable foe.

In their second year of league play in the W.M. Hockey League, the Colts skated their way to a highly successful season in the newly formed Fay Division. In six of their games the Colts scored seven or more goals and they registered four shut-out victories. Five Colt players were in the top ten league scorers, and standouts for the team were Peter and Paul Niemiec, Art LaFleur, John Los, John Hurley, Tony Mancini, and Gary Delisle. A late season slump by the Colts took the championship of the division down to the final game between Comp and Agawam. The Colts played a tremendous game and defeated Agawam 3-1, thus capturing the division crown.
